Wonder Walls

Premium French wallpaper brand De Gournay is renowned for its collections of exquisitely hand-painted wallpapers featuring 18th-century Chinoiserie and 19th-century French designs. Its recent collections also offer ranges of unique and customised wallpapers. Crafted by hand and made with various materials, such as silk, metal and embroidery, De Gournay is now available in Singapore. Ideal for accent walls, the wallpapers will transform your bedroom into a luxe boudoir.

THE NEW DE GOURNAY COLLECTION IS AVAILABLE AT TATUM. PRICES ARE AVAILABLE UPON REQUEST. VISIT WWW.TATUMCOMPANY.COM OR E-MAIL NFO@TATUMCOMPANY.COM.

Light It Up

Create your own lighting with the stylish Nanoleaf Aurora. These triangular energy-efficient LED panels, which can be snapped together to form various designs, use only 12 watts of energy each – it promises a brighter and more evenly distributed light, too. Users can choose from millions of colours from the Nanoleaf app, making it easy to achieve the look and mood you want.

THE NANOLEAF AURORA AND OTHER NANOLEAF LIGHTING PRODUCTS ARE AVAILABLE AT TANGS ORCHARD, LEVEL 4.

Sleep Tight

Sleep is important, and home-furnishing specialist The Bear Knows understands this well. It has launched the Bodyscan sleeping system, which uses a 3-D full-body scanner to analyse your sleeping posture before recommending a suitable mattress. Now you can sleep soundly, with a mattress that caters to your every need.

THE COMPLETE BODYSKAN SYSTEM STARTS FROM \$3,060. FIND OUT MORE AT THE BEAR KNOWS, #04-05/06 THE CENTREPOINT, TEL: 6733-9346.
