### Flock Of Cranes

De Gournay's new wallpaper, Namban, depicts an abstract seascape and evokes the artwork of Imperial Japan. Designed by Oitoemponto, it is exquisitely illustrated in a 3-D gold leaf pattern, which evokes a 1920s' aura. Take it up a notch and install this wallcovering onto curved walls for a subtly striking effect.

THE NAMBAN WALLPAPER RETAILS EXCLUSIVELY AT DE GOURNAY FOR US\$1,592 (S\$2,168) PER PANEL. VISIT [WWW.DEGOURNAY.COM](http://WWW.DEGOURNAY.COM).
